Dearest Mother and Daddy:

I received your card today, and sure was glad to hear from you. I am going to send the barracks bag to you today, and sure hope you take care of it like I told you in previous letters. Please don't mess me up.

We are still working day and night and I am sure tired of it. Today is Saturday and we are working this afternoon. No time off for anything. I am trying to get off for 3 days next week, and might go somewhere to rest for the 3 days. Sure hope I can get off.

Hope Mother and Lottie are fully recovered by now, and that you have had your teeth fixed. Please tell me if you had your teeth fixed or not. You never mention it anymore. What about your trip to Hot Springs? Aren't you going? How about letting me in on those Military secrets down there? Please send the camara immediately!

Love,

Harold
